At approximately 0500 hours, yesterday, Monday, October 10th, a suspect entered 529 S Broadway, a historic creative-office building on Broadway. From the video, it appears that the suspect had a key and was able to gain access to the main lock and remove most of the mail from the mailboxes.

Does the property owner still need to file a report through LAPD or federal? Can you direct me to a point of contact with the proper authorities?

Lulu is the building manager and is copied here.

Please see attached video.

Thank you,
